Objective

Fourth-year Information Technology student seeking an On-The-Job training (OJT) as Web Developer Intern. Motivated to apply my skills in web development who are also eager to learn hands-on experience and contribute to real-world projects.

Technical Skills

Languages : HTML, CSS, PHP, JavaScript, MySQL, C++.

Frameworks : Bootstrap

Developer Tools : VS Code, phpMyadmin, XAMPP, Figma

Experience

Project Manager (2024-2025)

RFID Web Based System

- Lead a team to create a RFID system that used PHP, Mysql, HTML and CSS.
- Design the user interface of the system.

Customer Service Representative (2025)

- Handled customer inquiries and resolved issues professionally
- Developed strong **communication, problem-solving, and teamwork skills**
- Adapted quickly to company systems and procedures

(Note: While not IT-related, this experience strengthened my workplace skills and ability to collaborate effectively.)

Training / Certification

TESDA - Computer System Servicing NC II

- Learned PC assembly, software installation, troubleshooting, and basic networking

Education

Bachelor of Science in Information Technology

Saint Bernadette College of Alabang

4th Year Student - Graduation : 2026
